A Superior Remedy - We can conscientiously recommend to those suffering from a distressing cough, Dr. Strickland's Mellifluous Cough Bal sam. It gives relief almost instantaneous, and is withat not disagreeable to the taste. There is no doubt but the Mellifluous Cough Balsam is one of the best preparations in use, and is all that its proprietors claim for it. We have tried it during the past week, and found relief from a most distressing cough. It is prepared by Dr. Strickland, No. 6 East Fourth street, Cincinnati, Ohio .- Cincinnati National Union.

THE POOR IN THESE TIMES -It may not be approfitable to throw out a few suggestions for the consideration of both rich and poor, in order to set people to thinking of the peculiar trials and hardships the mechanics and laboring men are now suffering under, even in our city. We have heard many persons complaining of weakness and disease, brought on, as we verily believe, by the want of sufficient stimulating food; and if you will look at it, you will see that this must be so. In these times, for working men and ordinary mechanics, \$2.50 per day is above the ordinary price. Mechanics, on an average, have families of-say five persons. To subsist this family

What is there in the above list, that can be dispensed with in feeding a family of five persons -can it be reduced, either in price or quantity? By this list, it costs \$12 37 to feed a family now, in the most economical manner. The head of this family, we have supposed, makes \$15 00 a week, or \$2 50 a day. If he works his along the thoroughfare yesterday. The mud full time, he has left \$2 63 a week to clothe his family and himself. Can he do it, at the prices of shoes and goods?
